Don't have much spare time (or patience)? I am offering to complete a paint by number for you! Please see my samples below. All you need to do is supply me with a high resolution photo and the canvas size you would like me to use. These finished paintings are great gifts for those who have everything!

There are three levels of difficulty for the pattern based on the number of colours you choose. There are "Standard" 24 colours, "Extra detailed" of 36 colours, and for real "life-like" quality the "Premium" option of 42 colours.

Photos need to be very good quality, making sure any main characters in the shot are large and detailed enough to be rendered properly. The image file should be no smaller than 300 ppi (pixels per inch) and have a minimum file size of 2 Mb.

Available canvas sizes and prices are:*

20 cm x 20 cm (8" x 10") – \$60.00

30 cm x 30 cm (12" x 12") – \$65.00

30 cm x 40 cm (12" x 16") – \$70.00

40 cm x 50 cm (16" x 20") – \$75.00

60 cm x 80 cm (24" x 32") – \$80.00

*These prices include shipping but are for **only** the printed canvas and paint not the completed painting.

I can give you a quote for my painting time before ordering. Prices vary, depending on the canvas size and number of colours. I can either provide you with an unframed, painted canvas, or it can be stretched over a wooden frame ready to hang. There is a surcharge for mounting.

I wanted more purple to match the room it would be mounted in.
